# Your Support Makes ALL the Difference

## Rebuilding History

The Byron Museum of History has committed to preserving the old theater building. The original sign has been restored and it is starting to look like 1950 again on Union Street.

The museum needs your support to finish work on the inside of the theater. Renovations to the 1948 interior will include all new plumbing, HVAC, electrical and bathrooms.

Updates made by the American Legion in 1970s are now due to be replaced. The planned renovations will restore the style and atmosphere of a mid-century cinema.

Your donations to the Byron Museum are always tax deductible.

*If you have questions about this project or how you can get involved, stop by or call 815-234-5031.*

## Ways to Give

Contributions to the Theater Renovations fund will be used for the much needed improvements to theater building's infrastructure and equipment.

Unrestricted Contributions will be used to further the museum's educational programming and artifact preservation.

**Restricted Sponsorships** are dedicated to a specific exhibit, area of the new building, or museum program and must be named at the time of the donation.

### Exhibits to Sponsor
